

§ 406.4

34 CFR Ch. IV (7–1–05 Edition)

(ii) Ensure that students successfully complete tech-prep education programs; and

(iii) Ensure that students are placed in appropriate employment;

(6) Provide equal access to the full range of tech-prep education programs to individuals who are members of special populations, including the development of tech-prep education program services appropriate to the needs of these individuals so that these individuals have an opportunity to enter tech-prep education that is equal to the opportunity afforded to the general student population; and

(7) Provide preparatory services that assist all populations to participate in tech-prep education programs.

(c) A project assisted under this part may also—

(1) Provide for the acquisition of tech-prep education program equipment; and

(2) Acquire, as part of the planning activities of the tech-prep education program, technical assistance from State or local entities that have successfully designed, established, and operated tech-prep education programs.

§ 406.4 What regulations apply?

The following regulations apply to the State-Administered Tech-Prep Education Program:

(a) The regulations in this part 406.

(b) The regulations in 34 CFR part 400.

(Authority: 20 U.S.C. 2394–2394e)

§ 406.5 What definitions apply?

(a) The definitions in 34 CFR 400.4 apply to this part.

(b) The following definitions also apply to this part:

Articulation agreement means a commitment to a program designed to provide students with a non-duplicative sequence of progressive achievement leading to competencies in a tech-prep education program.

Community college—

(1) Has the meaning provided in 34 CFR 400.4 for the term *Institution of higher education* for an institution that

provides not less than a two-year program that is acceptable for full credit toward a bachelor's degree; and

(2) Includes tribally controlled community colleges.

Institution of higher education includes an institution offering apprenticeship programs of at least two years beyond the completion of secondary school, and includes, in addition to the institutions covered by the definition of the term *institution of higher education* in 34 CFR 400.4, a—

(1) Proprietary institution of higher education;

(2) Postsecondary vocational institution;

(3) Department, division, or other administrative unit in a college or university that provides primarily or exclusively an accredited program of education in professional nursing and allied subjects leading to the degree of bachelor of nursing, or to be an equivalent degree, or to a graduate degree in nursing; and

(4) Department, division, or other administrative unit in a junior college, community college, college, or university that provides primarily or exclusively an accredited two-year program of education in professional nursing and allied subjects leading to an associate degree in nursing or an equivalent degree.

Tech-prep education program means a combined secondary and postsecondary program that—

(1) Leads to an associate degree or two-year certificate;

(2) Provides technical preparation in at least one field of engineering technology, applied science, mechanical, industrial, or practical art or trade, or agriculture, health, or business;

(3) Builds student competence in mathematics, science, and communications (including through applied academics) through a sequential course of study; and

(4) Leads to placement in employment.
